

## **Mission Statement**

We aim to provide recreational swimming facilities for people with disabilities and diagnoses that could benefit from water therapy.

We will do this by encouraging and supporting Tadpoles, Volunteers and Carers to become empowered to reach their individual goals and take responsibility for determining the outcomes they strive towards.

We will respect and put equal value on the skills, experiences and contributions of all people in order to promote the outcomes and aspirations of Tadpoles, Volunteers and Carer and the goals they are determined to achieve.
